

## IFNOTU.COM DISCLOSURE

In the digital world nothing IS as IT appears: TRUTH is manipulated to direct you down a presenters predetermined path. Early startups, intoxicated by the possibility of such power, quickly acquiesced when our government spoon fed them' domain.

Startups must still pay homage to this corrupted morality or risk succumbing in a quick death.

**IFNOTU.com** will not be corrupted!

We ask for a **\$20 MEMBERSHIP, as a hedge against failure** - in return, we offer you participation in our every 4 months 50% of net profits distribution.

**PLEASE - consider our offer!**
